Peace of mind

# RADIOLOGIST ACCESS

## Our team of physicians ...

- ✓ Have over a decade of experience in reading **cases for urgent care facilities**
- ✓ Are **American Board Certified** and include both **radiologists and cardiologists**
- ✓ Can **cover all necessary modalities** for clinics including – X-rays, Ultrasounds, Bone Density and other modalities

# CUSTOMIZED SERVICE

## We personalize service to meet your needs including...

- ✓ **Clinical workflows** established upfront to ensure **reports are read quickly**
- ✓ Highly **customized report formats** that allow you to make acute care **decisions**, including any **follow-up or additional testing** recommendations
- ✓ **Second opinion reports** communicate specific **discrepancies** and include **recommendations for patient care**
- ✓ **Constant tracking of cases by dedicated staff**
- ✓ Service tailored to **your days and hours** of operation

# TURN AROUND TIMES

- ✓ **Rapid TAT for all cases**
- ✓ **Dedicated full time staff with a full backup of radiologists** ensures we deliver on our commitment to TAT
- ✓ Trained staff that have **years of radiology workflow experience** to ensure cases are read quickly and efficiently
- ✓ **Full visibility into TAT** and options to easily track reports online

# COMPETITIVE PRICING

- ✓ Our low overheads and customized workflow allows us to offer **competitive pricing without a compromise on quality**
- ✓ **No hidden costs** and completely transparent pricing
- ✓ No added costs for **sub-specialty radiologists**
- ✓ **No sudden price increases** – we deliver what we promise at the price we promise

# SERVER RELIABILITY

- ✓ **HIPAA compliant** and fully secure servers
- ✓ **24X7** tech support including **live human availability**
- ✓ Redundant servers with **fail over configuration**
- ✓ **Strong mechanisms and processes** to protect data security

# TAILORED REPORTS

Reports are specific to address the needs of urgent care cli....

- ✓ Report language specifies **definite findings** vs. 'probable' findings
- ✓ **Customized report formats** that specify information required for quick patient care decisions
- ✓ **Appropriate recommendations** for follow-ups

# PEACE OF MIND

- ✓ **Dedicated toll free number** with a live human who is always available to assist you
- ✓ **Centralized email address** for all your communication avoiding the need for remembering multiple contacts
- ✓ Easy to use, **hassle free technology**
- ✓ **Straightforward billing process** that is easy to verify
- ✓ **Credentialing staff** to speed up any paperwork process
- ✓ Access to **interpreting physicians** for consultations or questions

## What do our clients think of us....

We are very impressed with the technology that Advanced Telemed Services has as well as the personal services and accurate reporting

The radiologists are superb in their expertise- providing quick and accurate radiology reports. The support staff provides exceptional administrative support

We have been very impressed with the precision and timeliness of the reports. Their reports are quick, to-the-point and perfect for us. The staff is also very experienced, professional and personable.

The setup with Advanced Telmed Services was seamless  
And they ensure I have my report real time

We are impressed with the ease of using Advanced TeleMed Services for our radiology needs. Their services are timely and accurate. Our patients are very pleased.

Advanced Telmed provides excellent echo reads. They went out of their way to help my technologists understand things. Their radiologists are willing to spend time training our team to deliver the best patient care
